
Worksheet 7: Putting It All Together

1. Which two careers were you considering before you started this process?

2. What are your two highest scoring categories according to the Career Interest Profiler or another Holland Code Assessment?

3. What are your two top career areas according to the Cluster Finder or another career assessment?

4. Reflecting on your responses, what are the similarities between these six career areas?

5. Reflecting again on your responses, what are the differences in these six career areas?

6. Which two or three career areas hold the most interest and potential for you?

7. What is the job outlook for these careers? Search your career title(s) using either Naviance's Career tab or the Job Outlook link while accessing the *Occupational Outlook Handbook* online at www.bls.gov/ooh for these answers.

8. What is the average salary for these careers? Search your career title(s) using either Naviance's Career tab or the Pay link while accessing the *Occupational Outlook Handbook* online at www.bls.gov/ooh for these answers.

9. To prepare for these career fields, what are the required college majors or programs of study? Search your career title(s) using either Naviance's Career tab or the How to Become One link while accessing the *Occupational Outlook Handbook* online at www.bls.gov/ooh for these answers.

10. Are there licensing or certification requirements for your career fields?

11. Will you need a graduate degree, such as a master's or doctorate degree, to enter these career fields?

12. Are you interested in earning a double major or a minor in any other areas of study?

13. Are internships, co-op programs, field studies, or student-teaching experiences required for entry into your chosen fields?

14. Would you be interested in participating in study-abroad for a semester, summer, or full-year program?

15. If so, where are you interested in traveling to, and what would you like to learn/study/experience while you are there?
