## Chilton Service manuals

The *Chilton Service Manuals* now include even better graphics and expanded procedures! Chilton's editors have put together the most current automotive repair information available to assist your patrons. These new manuals allow users to accurately and efficiently diagnose and repair late-model cars and trucks. Trust the step-by-step procedures and helpful illustrations that only Chilton can provide. The new *2012 Domestic Service Manuals* cover 2010 and 2011 models plus available 2012 models. The *2010 Import Service Manuals* cover 2009 and 2010 models.

### Comprehensive Series Provides More Value:

- organized by vehicle manufacturer
- provides thousands of pages of expertly written content
- access new year, make, and model information without repeating previous edition's content
- comprehensive, technically detailed content, including exploded view illustrations, diagnostics and specification charts, arranged alphabetically by model group for quick, easy access
