## 2010 Chilton Service manuals

The *Chilton 2010 Service Manuals* now include even better graphics and expanded procedures! Chilton's editors have put together the most current automotive repair information available to assist your patrons. These new manuals allow users to accurately and efficiently diagnose and repair late-model cars and trucks. Trust the step-by-step procedures and helpful illustrations that only Chilton can provide. The *2010 Service Manuals* cover 2008 and 2009 models plus available 2010 models.

### Comprehensive Series Provides More Value:

- organized by vehicle manufacturer
- provides thousands of pages of expertly written content
- access new year, make, and model information without repeating previous edition's content
- comprehensive, technically detailed content, including exploded view illustrations, diagnostics and specification charts, arranged alphabetically by model group for quick, easy access

## 2010 Chilton Labor Guide

This year consider adding the *Chilton 2010 Labor Guide* to your collection! When your patrons take their vehicles in for a repair, the technician identifies the problem and then calculates the time that it will take to repair the vehicle and multiplies it by the shop's labor rate to give your patrons an estimate. The Chilton Labor Guide Manual lists vehicle repair times so by using this handy reference tool, your patrons can be sure that they are being charged a fair rate.
